

Locating Resources In the Shasta College Library Catalog

Reference: 242-7551 **Circulation:** 242-7550 **Ask a Librarian:** csingh@shastacollege.edu, ph 242-2347

The Shasta College Library, through its 80,000 books, videos and DVDs, over 21,000 online eBooks, and over 50 online research databases, provides access to a comprehensive collection of materials to guide you through your research process.

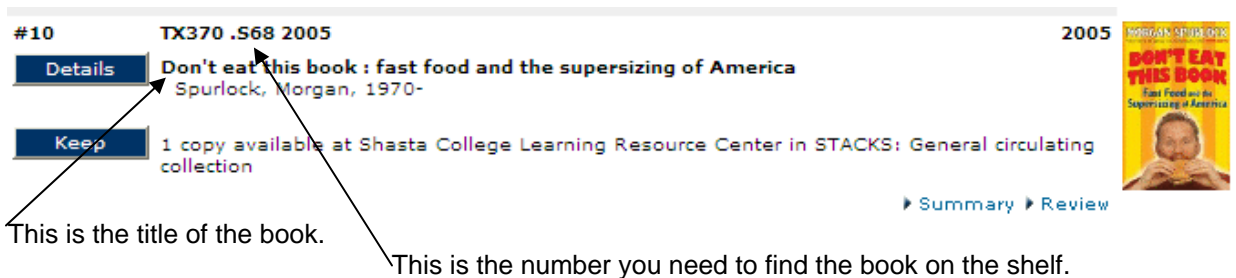

Searching for Books in the Library Catalog

- Go to the Library homepage shastacollege.edu/library
- Click on **Library Catalog** (located on the left hand side of the screen)
- The library catalog is a relatively small database. Use only one or two words when you search. Suppose you are seeking books, videos, or DVDs on fast food. Enter *fast food* in the text box.

You can search by words, author's names, titles, subject, series, or periodical.

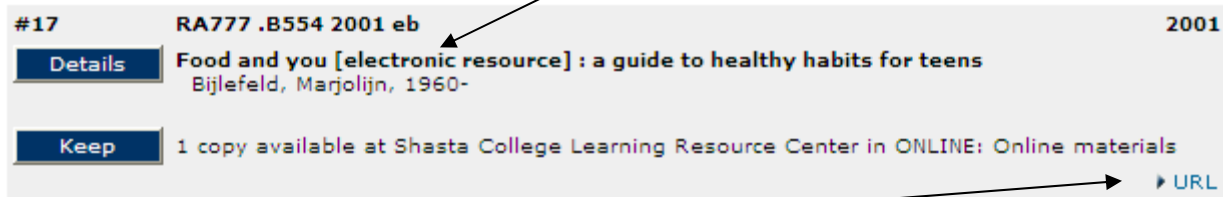

After pressing the **Search** button, scroll down to *Don't Eat this Book* (around # 10 on the list)

This is the title of the book.

This is the number you need to find the book on the shelf.

The library collection includes books in electronic format that can be read online from any computer 24/7. Electronic books have an eb after the call number. The item below is an electronic book:

Click on the URL to "open" and read the book, if you are on campus.

If you wish to read an online ebook from home:
